### Basic English Usage

For students of English at a lower intermediate level and upwards, this reference guide will serve as a comprehensive and reliable study companion. Its 370 short articles clearly explain those points of English grammar and vocabulary that most frequently cause difficulty.

- simple explanations
- numerous examples of acceptable usage and common mistakes
- descriptions of formal and informal language
- contrasts between British and American English
- glossary of technical terms
- complete list of entries
- full index
- clear two-colour design

**Basic English Usage** is a shortened and simplified version of Michael Swan's popular and authoritative **Practical English Usage**.
